

A photograph of a single-story brick house with a gabled roof. The roof is covered in brown tiles and has several solar panels installed on the left side. The house has a chimney and a small dormer window. The front facade is made of light-colored bricks and features a large window with light green curtains, a glass door, and another window. The house is surrounded by a garden with various plants, including a large bush with orange autumn leaves on the left and a paved sidewalk in the foreground.
